## WAVE MYSELF GOODBYE

PABLO is a side-project by singer and guitarist Pablo Jucker. Pablo waved himself goodbye, to do something different. Beside playing in the heavy rhythm'n'blues trio The Dues, the time has come to write folk songs. Reduced to one acoustic guitar and one voice.

With eleven songs, the album WAVE MYSELF GOODBYE was complete. In thoughts of Nick Drake's Pink Moon, inspired by George Harrison's All Things Must Pass, motivated by Dylan's Freewheelin, driven by the first Rory Gallagher album. Recorded by Stefan Huber, during two night sessions.

Now everything has been said.
